

# Do you love Cumberland Lake Park and Campground at Comox Lake?

*Did you know it is managed and programmed by Lake Park Society?*

We are seeking qualified candidates to join our volunteer Board to help steward this amazing community amenity.

## What does our Board of Directors do?

Our Board of Directors provide guidance and oversight by determining strategic direction, overseeing organizational affairs, ensuring financial health and maximizing Lake Park Society's impact. Our Board is a strategic "governance board" as opposed to a "working board."

## Our Mission

To create wonder and connection through outdoor experiences.

## Our Story

We are a local non-profit, established in 2015, dedicated to providing opportunities for nature education, community connection, and low-impact recreation at Cumberland Lake Park. We value inclusivity, community, nature appreciation, and ecological stewardship.

## Accomplishments

- Provide full-day environmental and outdoor learning programs to around 40 classes from 19 different schools a year:
  - Water Keepers (grade 3)
  - Forest Friends (grade 1)
  - Floating Classroom Canoe Charters (all grades)
- Contribute around \$15,000 in subsidies, per year, to support school programs
- Offer summer camps including Camp Kin, a camp for 2SLGBTQ+ youth
- Provide free music nights, movie events, guided watershed canoe tours, kids programming and guest speakers over the summer
- Invest in various park improvements, including a nature playground
- Hire, train and mentor local youth

## Are you a great fit?

We are looking for a community-minded individual who can commit to attending monthly board meetings for a two year board term. Complete an application to find out more about this opportunity and the skills we are looking for.
